■ Technical specifications

Size	Thickness (mm)	Application
50	3	B
63	3	B
90	3	BD
110	3.2	BD
125	3.2	BD
160	3.2	B
160	4	BD

- Sewage (adhesive) pipes

Size	Thickness (mm)	Application
50	1.8	R
63	1.8	R
90	1.8	R
110	2.2	R
125	2.5	R

- Rainwater pipes (spout)

■ Advantages

- Efficient and economical.
- Non-clogging or sedimentation.
- Completely smooth and polished inner surface.
- Ease of access.
- Quick installation.
- Fire & heat resistance (slow- burning).
- Long life.
- Resistance to decay and corrosion.
- Electricity resistant.
- Resistance to impact and pressure.

■ Usages

- Wastewater disposal of residential and commercial buildings, offices, hotels, hospitals, etc.
- Building ventilation systems.
- Rainwater drainage systems.
